

Technical Data Sheet

CK98 AIR CONTROL KITS

Pneumatic Controls

Designed for modern truck cabs, with a compact design, these controls are manufactured to exacting tolerances ensuring consistent, trouble-free operation.

Hydrec Powauto produces a wide variety of controls dependent on your requirements. From hoist only to the most complex truck and trailer assembly.

Configured for discreet fitment – ordering the right control for your truck cab is easy.

Suits:

Truck hoist applications
Truck and trailer applications

Product Features

- **Integral Plastic Body**
Engineering plastics technology for accuracy and repeated cycles of operation.
- **Brackets and Pedestals With CK Kits**
Use with or without, depending on requirements.
- **Light**
Visual check when PTO is engaged and auxiliary function operated.
- **Pre Packaged System Kit**
Provides easy installation.
- **Auto Disengage for PTO**
Prevents damage to your transmission due to prolonged engagement.
(Some models only)
